

Helping families

give babies the best nutrition—at home and at work.

We Support Breastfeeding

WORKPLACE LACTATION PROGRAMS
Good for Working Families. Good for Business.™

Ask your supervisor or manager for more information about the *Workplace Lactation Programs* initiative.

THIS PROGRAM INCLUDES:

- A guide on how to continue breastfeeding when you go back to work
- Information on breast pump rentals and purchases
- Resources and information to answer your breastfeeding questions

Speaking Out for Working Families
